"20-9-517. (Temporary) State school oil and natural gas impact account. (1) There is a state school oil and natural gas impact account in the state special revenue fund provided for in 17-2-102. The purpose of the account is to provide money to schools that are receiving oil and natural gas production taxes under 15-36-331 in an amount less than 20% of the district's maximum general fund budget but that are impacted by oil and natural gas development. The funds in this account are statutorily appropriated as provided in 17-7-502.

(2) There must be deposited in the account oil and natural gas production taxes, if any, pursuant to 20-9-310(4)(b) and any amounts pursuant to 20-9-104(6).

(3) A school district may apply to the superintendent of public instruction for funds from the account for circumstances that are directly related to impacts resulting from the development or cessation of development of oil and natural gas as follows:

(a) an unusual enrollment increase as determined pursuant to 20-9-161 and 20-9-314;

(b) an unusual enrollment decrease;

(c) higher rates of student mobility;

(d) a district's need to hire new teachers or staff as a result of increased enrollment;

(e) the opening or reopening of an elementary or high school approved by the superintendent of public instruction pursuant to 20-6-502 or 20-6-503; or

(f) major maintenance for a school or district.

(4) In reviewing an applicant's request for funding, the superintendent of public instruction shall consider the following:

(a) the local district's or school's need;

(b) the severity of the energy development impacts;

(c) availability of funds in the account; and

(d) the applicant district's ability to meet the needs identified in subsection (3).

(5) The superintendent of public instruction shall adopt rules necessary to implement the application and distribution process.

(6) The amount in the account may not exceed \$7.5 million. Any amount over \$7.5 million must be deposited in the guarantee account and distributed in the same manner as provided in 20-9-622(2). (Terminates June 30, 2016--sec. 43, Ch. 400, L. 2013.)

20-9-517. (Effective July 1, 2016) State school oil and natural gas impact account. (1) There is a state school oil and natural gas impact account in the state special revenue fund provided for in 17-2-102. The purpose of the account is to provide money to schools that are not receiving oil and natural gas production taxes under 15-36-331 in an amount sufficient to address oil and natural gas development impacts. The funds in this account are statutorily appropriated as provided in 17-7-502.

(2) There must be deposited in the account oil and natural gas production taxes, if any, pursuant to 20-9-310(4) and any amounts pursuant to 20-9-104(6).

(3) A school district may apply to the superintendent of public instruction for funds from the account for circumstances that are directly related to impacts resulting from the development or cessation of development of oil and natural gas as follows:

(a) an unusual enrollment increase as determined pursuant to 20-9-161 and 20-9-314;

(b) an unusual enrollment decrease;

(c) higher rates of student mobility;

"20-9-517. (Temporary) State school oil and natural gas impact account. (1) There is a state school oil and natural gas impact account in the state special revenue fund provided for in 17-2-102. The purpose of the account is to provide money to schools that are receiving oil and natural gas production taxes under 15-36-331 in an amount less than 20% of the district's maximum general fund budget but that are impacted by oil and natural gas development. The funds in this account are statutorily appropriated as provided in 17-7-502.

(2) There must be deposited in the account oil and natural gas production taxes, if any, pursuant to 20-9-310(4)(b) and any amounts pursuant to 20-9-104(6).

(3) A school district may apply to the superintendent of public instruction for funds from the account for circumstances that are directly related to impacts resulting from the development or cessation of development of oil and natural gas as follows:

(a) an unusual enrollment increase as determined pursuant to 20-9-161 and 20-9-314;

(b) an unusual enrollment decrease;

(c) higher rates of student mobility;

(d) a district's need to hire new teachers or staff as a result of increased enrollment;

(e) the opening or reopening of an elementary or high school approved by the superintendent of public instruction pursuant to 20-6-502 or 20-6-503; or

(f) major maintenance for a school or district.

(4) In reviewing an applicant's request for funding, the superintendent of public instruction shall consider the following:

(a) the local district's or school's need;

(b) the severity of the energy development impacts;

(c) availability of funds in the account; and

(d) the applicant district's ability to meet the needs identified in subsection (3).

(5) The superintendent of public instruction shall adopt rules necessary to implement the application and distribution process.

(6) The amount in the account may not exceed \$7.5 million. Any amount over \$7.5 million must be deposited in the guarantee account and distributed in the same manner as provided in 20-9-622(2). (Terminates June 30, 2016--sec. 43, Ch. 400, L. 2013.)

20-9-517. (Effective July 1, 2016) State school oil and natural gas impact account. (1) There is a state school oil and natural gas impact account in the state special revenue fund provided for in 17-2-102. The purpose of the account is to provide money to schools that are not receiving oil and natural gas production taxes under 15-36-331 in an amount sufficient to address oil and natural gas development impacts. The funds in this account are statutorily appropriated as provided in 17-7-502.

(2) There must be deposited in the account oil and natural gas production taxes, if any, pursuant to 20-9-310(4) and any amounts pursuant to 20-9-104(6).

(3) A school district may apply to the superintendent of public instruction for funds from the account for circumstances that are directly related to impacts resulting from the development or cessation of development of oil and natural gas as follows:

(a) an unusual enrollment increase as determined pursuant to 20-9-161 and 20-9-314;

(b) an unusual enrollment decrease;

(c) higher rates of student mobility;

(d) a district's need to hire new teachers or staff as a result of increased enrollment;

(e) the opening or reopening of an elementary or high school approved by the superintendent of public instruction

pursuant to 20-6-502 or 20-6-503; or

(f) major maintenance for a school or district.

(4) In reviewing an applicant's request for funding, the superintendent of public instruction shall consider the following:

(a) the local district's or school's need;

(b) the severity of the energy development impacts;

(c) availability of funds in the account; and

(d) the applicant district's ability to meet the needs identified in subsection (3).

(5) The superintendent of public instruction shall adopt rules necessary to implement the application and distribution process.

(6) The amount in the account may not exceed \$7.5 million. Any amount over \$7.5 million must be deposited in the guarantee account and distributed in the same manner as provided in 20-9-622(2)."
